

IoT Standards and Consortia

IoT Initiatives, the investment towards Transformation

Jeff Fedders

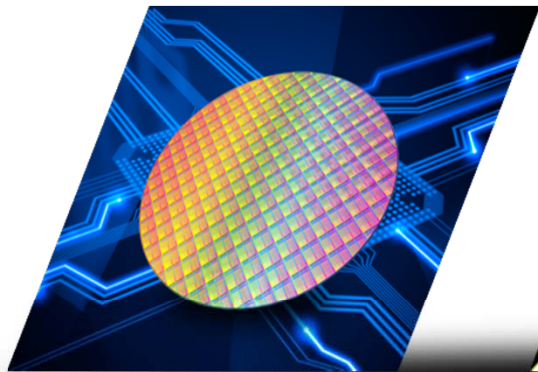

IoT Standards Chief Strategist, Intel Corporation

President, OpenFog Consortium

Steering Committee, Industrial Internet Consortium

What does IoT Transformation look like

*...systems will be
smart and
autonomous*

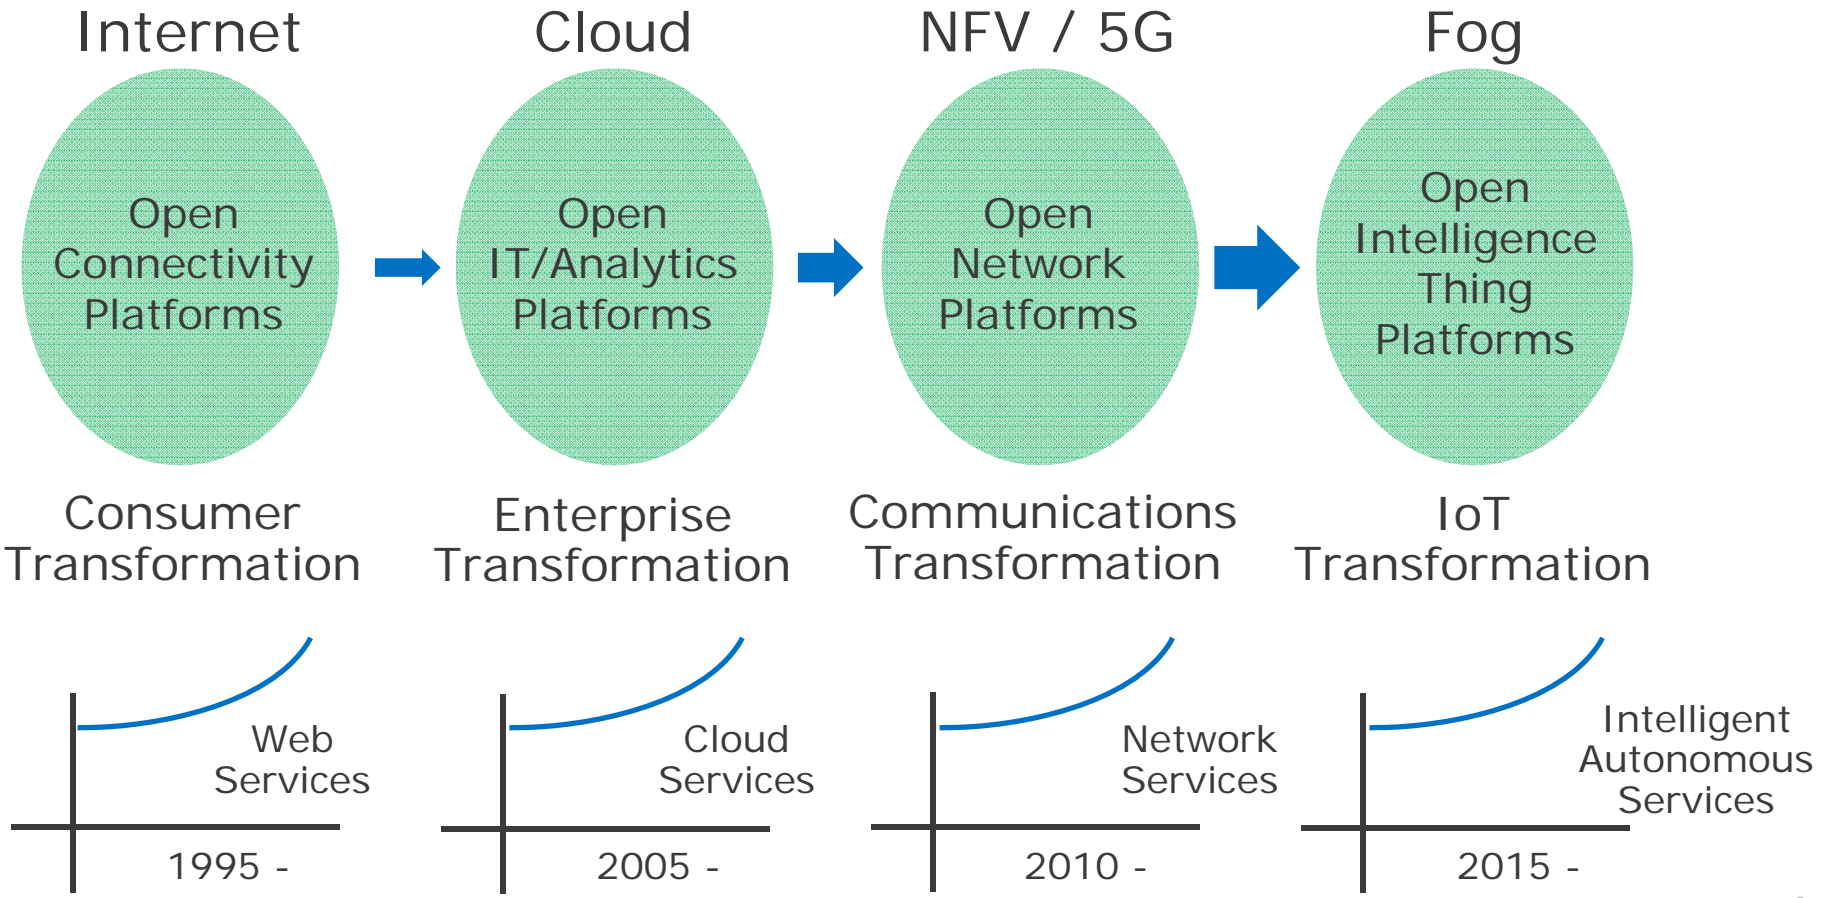

*...infrastructure
will be software
defined*

*...information will
be pervasive*

Open Platforms Produce Real Business Transformation

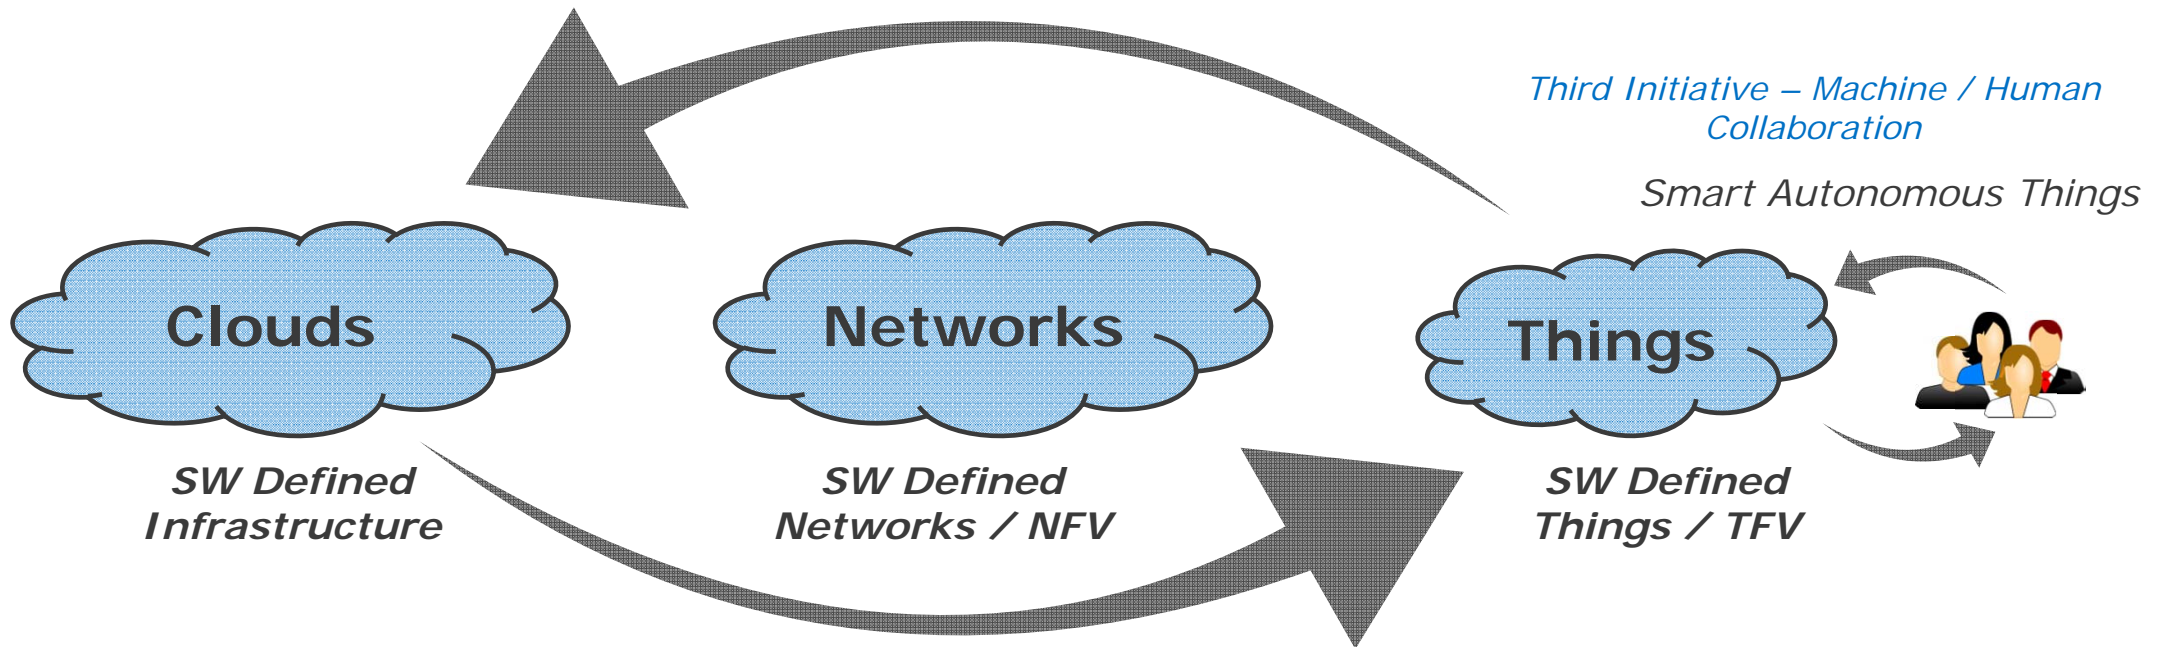

IoT Consortia Initiative Investments

Frist Initiative - OT/IT Convergence

Industrial Internet - Connect Things to the Cloud

*Third Initiative – Machine / Human
Collaboration*

Smart Autonomous Things

Second Initiative – OT/IT/5G Convergence

Fog Computing - Bring Cloud to the Things

Thank-you!

Investing into IoT Transformation Initiatives!
